Hospital Directory

Healthcare

Welcome to Allianz Worldwide Care.

It is recommended that you contact Allianz Worldwide Care prior to receiving treatment so we can ensure that there will be no delays at the time of admission. In case of an emergency, you should ask the provider to contact Allianz Worldwide Care at the telephone number indicated on the membership card, as soon as possible after admission, to verify eligibility.

We have a list of worldwide hospitals but you are not restricted to these hospitals. However, if you use a hospital outside our network, please ask the hospital to contact us directly and we will arrange for direct settlement.

We also have access to an extensive network of providers through our third party administrators in the USA. Members with worldwide cover can contact the toll-free number as indicated on the reverse of the membership card for more information.

Allianz Worldwide Care Hospital List
